Rosa Parks Elementary School

Lake Washington School District

Please read and discuss the Student Handbook. It can be found online at www.lwsd.org/parks (the handbook is located under the "For Parents/Students" tab).

Please complete one page for each child and return it your child's teacher as soon as possible. Feel free to make additional copies as needed. Copies will also be available in the office.

We have read and discussed, and my children understand the Rosa Parks Elementary Procedures and Discipline Policy.
