Principal Post

Hello families,

Thank you for taking the time to fill out [the district survey](#) regarding remote learning. We recognize that this fall, remote learning looked much different than this spring. We have heard from some families that the current model could use some refinements, and so while the district is working at the organizational level, we are committed to implementing your feedback to make remote learning work for as many students as possible at the school level. Please take a few moments to complete [our school specific survey](#) before Monday, November 23rd.

In partnership,

Melissa Doering

Student Library Book Checkout

- The safety of students and staff will be our top priority. All LWSD libraries are deploying a system that includes safety measures during the checkout and return processes.
- We are starting with grades 4 and 5.
- Grades 2 and 3 will start December 16 and Grades K and 1 will start January 13.
- Books will be distributed every two weeks on Wednesdays. Our first book checkout / pickup day for grades 4 and 5 will be Wednesday, November 18th.
- Students must select books using the Destiny Catalog in order to place a hold on the books they are interested in. Students will receive instructions about the process during library lessons, and will also be available at any time in the Checking Out Books channel on all Library TEAMS pages.
- Book requests must be received by Friday 12:00 p.m. in order to be filled by the following Wednesday.
- Books will be due 2 weeks after they were checked out.
- All books being checked out will be placed in individual bags marked for each student.
- Book pick up time will be on Wednesdays from 9:00 – 3:00.
- A book return bin will be located outside the office during hours.
- The books will be in bags located by the office.
- As possible, we ask that parents park their cars in a parking space while picking up books.
- Please direct any questions or suggestions to me at jaanderson@lwsd.org
